QR codes for hospital map

- Capture QR code with smartphone camera. If capture is successful, QR code will be transformed into URL.
- Click the URL and open it with map software to find the precise location of the medical institution.

Notes:

- Please confirm by phone before going to the medical institution.
- Please be concerned to see doctor during consultation hours in daytime.
- Remember to bring health insurance certificate, medical care certificate, medical expense, medicine notebook or actual medicine with you.

Reference of medical institution:
