Beginning of April

Kannonyama Haru Matsuri

観音山春まつり

Countless full-bloomed cherry trees adorn Kannonyama Park within the Suzuka Quasi-National Park. Various events are held there.

Beginning of April

Shoboji Sanso-ato 正法寺山荘跡 (Cherry trees)

It is a site of the castle of the feudal lord who governed this region. This important historical site was designated as a national cultural property of Japan in January 1981. Today, the castle is a famous cherry blossom viewing spot with some 200 cherry trees, and attracts numerous visitors.

Beginning of April

Kameyama-jo Sakura Matsuri

亀山城桜まつり

Taikoji Nawate 太岡寺園 (Cherry trees)

End of March

Mitsumata

みつまた (paperbush)

A bright yellow carpet of tens of thousands full-bloomed Mitsumata plants covers the mountain side. People can enjoy its blossoming from the end of March through the beginning of April. The Mitsumata plant is also used as a material in Sakamoto Japanese paper.

Beginning of May

Taiganji 太蔵寺 (wisteria)

One of the most popular wisteria viewing spots in Mie prefecture. The tree is about 130 years old. It is adorned with prominent more than one-meter-long flower clusters.

Beginning of June

Hanashobu Matsuri

花しょうぶまつり

Some 20,000 iris flowers of nearly 100 varieties are grown on an area of 4,000 square meters in the park. The event features sales of iris flowers, guidance on how to grow it, and sales of local specialties.

Beginning of June

Sakamoto Tanada Noagari Matsuri

坂本棚田野上がりまつり

Beginning of August

Kameyama-shi Noryo Taikai

亀山市納涼大会

A wide variety of events are held including dances performed by local residents, lottery, stage shows, etc. There are also numerous stalls selling refreshments, and the event is bustling with visitors.

End of August

Sekijuku Noryo Hanabi Taikai

関宿納涼花火大会

Approximately 2,000 fireworks are set off and a dazzling display of fireworks lights up the night sky. The event is held on the banks of Suzuka River near the Seki Fire Department. Numerous stalls selling refreshments are erected, attracting crowds of visitors.

Beginning of December

Human Festa in Kameyama

ヒューマンフェスタ in 亀山

It is an event on the theme of human rights, which features booth exhibits by various organizations, essay and speech presentations, and lectures.

Beginning of January

Edonomichi City Marathon

江戸の道シティマラソン

End of January

Kameyama Oichi 亀山市大市

This is Kameyama City's famous market in winter. Its origin can be traced back to the large sales preceding the Lunar New Year celebrations more than 130 years ago. The event features numerous stalls bustling with visitors.

冬 Winter

Mid-February

KIFAMIGO Fureai Hiroba

KIFAMIGO ふれあいひろば

A multicultural exchange event organized by the Kameyama International Friendship Association (KIFA). It features a variety of programs including speech presentations.

Beginning of October

Kameyama Aozora Ocha Matsuri

亀山青空お茶まつり

Nakano-yama Pilot, which has 87 hectares field, is the main producer of Kameyama tea. An event is held there annually to enhance exchanges between tea producers and Kameyama City residents. It features tea picking, hand kneading experience, and sales of tea and local specialties. It attracts numerous visitors.

Mid-October

Mitsudera Cosmos Matsuri

三寺コスモスまつり

Full-bloomed Cosmos flowers that represents fall cover 4-5 hectares of field like a thick carpet. Stalls offer refreshments and local agricultural produce.

Beginning of November

Tokaido Sekijuku Kaido Matsuri

東海道関宿街道まつり

The event features historical pageant that re-enacts the bustling procession of travelers along the Tokaido Highway, historical costume contests, sales of local specialties, and various other enjoyable programs.

夏 Summer

End of July

Sekijuku Natsu Matsuri

関宿夏まつり

It is a traditional event that continues since the Edo Period. The parade features four beautifully decorated floats. At its peak, sixteen such floats competed over the extravagance of their decorations, and paraded through the narrow streets of Sekijuku (one of the 53 stations of the Tokaido Highway, today located in Kameyama). From this, the expression "seki-no-yama", which means "the best one can do", was born.

Kameyama de Asobo!

亀山であそぼ!

Mitsumata みつまた

Sakamoto Tanada 坂本棚田

Chosen as one of Japan's Top 100 Terraced Paddy field in July 1999, Sakamoto Tanada boasts fascinating scenery. The Tanada Noag-ari Matsuri is held here in early summer.

Taiganji 太蔵寺 wisteria

Sekisuikei 石水溪

BBQ!
